MONTHLY REPORT

Dr. Bresnahan reported that the Core Planning Team has been meeting every Wednesday to discuss the schematic designs for the Referendum projects. Wold Architects will be presenting the final designs for approval at the August Board meeting. Dr. Bresnahan thanked the Transition Team for their input on teaching and learning and giving their time throughout the summer months.

CURRICULUM & INSTRUCTION

MONTHLY REPORT

Ms. Zimmerman reported that the details for the New Staff Orientation are being finalized. It will be a blend of remote and on-site in the buildings to receive an overview of all things Berkeley. The last day for Summer Learning Club is August 7. The software programs will stay opened for students to continue. There were 18 teachers engaged in the experience, around 836 books were read and 181 students participated in the club.

Mr. Byrne reported that teachers were asked to evaluate the MyOn Reader Program to see if the District wanted to continue to utilize. MyOn is a Digital Library which is excellent for a remote learning environment. Also, the MyOn News keeps students engaged in current events. The District will be adding onto the subscription for next school year. The digital books are in English and Spanish.

After reviewing survey data, the district will be streamlining the digital platforms for our students and families. The recommendation of the paid version of Seesaw will be brought to the August Board meeting.

MAP has added a Reading Fluency Assessment K-2 component for online benchmark and progress monitoring assessment that will help in a remote setting. The component will also cover the obligation for the proposed dyslexia legislation.
