

## **Notification to Parents of Related Service Logs**

***NOTICE: In accordance with newly enacted legislation, the District will provide the parent or guardian of a student with an IEP, who is receiving related services pursuant to that IEP, with a copy of related service logs at the student's annual review IEP meeting. Additionally, a parent or guardian may request to view or receive a copy of his or her child's related service logs at any time and the District will provide those logs within ten business days of the request.***
